

## CABLE HOLDER – T-CLIP ACCESSORY

### *Neat and easy cable organization*

#### **P**roduct description:

- Neat cable management along aluminum profiles
- Can be mounted with T-Clip anywhere on most T-slot aluminum profiles

#### **P**roduct benefits:

- Quick and easy: together with T-Clip and cable clips, all kinds of cables can be guided and organized along aluminum profile structures such as work stations, machine frames, quality control posts, etc.
- Convenient: cables can be fixed on aluminum profiles even in between walls. No need to wrap around profiles anymore to hold the cables
- Stable: anti-rotation function
- Sold in a front-opening dispensing box for a better stock management and accessibility

#### **K**ey selling point:

- Cable holder can be used horizontally or vertically

#### **T**echnical specs:

##### Material:

- Polyamide (PA6)
- Recyclability potential: 99,7% (specialized recycling channels)

##### Operation:

- Works together with a 8 or 10mm T-Clip (on 8 or 10 mm front slot profiles)

Logistic characteristics:
