

## HOOK – T-CLIP ACCESSORY

### *Easy and quick hanging of items (tool-less mounting)*

#### Product description:

- Who doesn't need a hook? This hook can be fixed wherever needed!
- Hang up various items such as cloths, keys, brush & dustpan on most T-slot aluminum profiles (with T-Clip)

#### Product benefits:

- Versatile: can be fixed with T-Clip on all aluminum profiles (work stations, machine protections, quality stations...)
- Optimizes workstation organisation
- Efficiency enhancing and time-saving: items stay in reach and don't risk falling
- Hard-wearing 304 stainless steel without any chemical surface treatment: particularly suited for food industry applications, corrosion-free and high resistance to chemical attacks
- Front-opening dispensing box for fast access and optimized stock management
- Made in France

#### Key selling point:

- The versatility of the hook will contribute to increased efficiency thanks to perfectly organised workstations

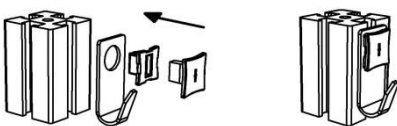

#### Technical specs:

##### Material:

- 304 stainless steel, 2 mm thickness
- Recyclability potential: 99,9 % (specialized recycling channels)

##### Operation:

- To be used with 8 or 10 mm T-Clip

## Logistics characteristics:

### Packaging:

- 1 dispenser-box, plain cardboard with sticker, content: 12 pieces

### Dimensions and weight:

- 1 hook: 53 x 24 x 2 mm, 21 g
- 1 box of 12 hooks : 90 x 90 x 60 mm, 284 g
